

MAHEEP MOULI SHASHI

BIM & Data Systems Specialist | Digital Twin & Information Management

Barcelona, Spain | maheep.mouli.shashi@gmail.com | +34 692 673 542

[LinkedIn](#) | [Portfolio](#) | Eligible to work in Spain / EU | Based in Barcelona | Available immediately

PROFILE

Computational Architect and BIM/Data Systems Specialist transforming **BIM models into structured information systems and digital twin workflows.**

Combines architecture, data analytics (Python, SQL, Tableau), and computational design to build scalable workflows that improve coordination, reduce risk, and enable data-driven decision-making across urban and infrastructure projects.

Focused on bridging the gap between design models and operational data.

RELEVANT EXPERIENCE

1. Computational designer - ELABORATOR (EU Project) -IAAC, Barcelona | Jul 2025 – Present

- Developed **data-driven urban analysis workflows**, integrating spatial datasets into design decision-making
- Built **interactive dashboards and visualizations** to support mobility and environmental analysis
- Coordinated **multi-source data integration** across international research partners
- Translated complex datasets into **actionable insights for urban design strategies**

2. BIM Coordinator - Atelier 24 (Remote) | Mar 2023 – May 2025

- Managed BIM models as **structured data environments** for 6,500+ m² projects
- Generated **200+ coordinated datasets (drawings/models)** across disciplines
- Automated workflows using Python & Grasshopper, improving efficiency by 40%
- Performed **data-driven clash detection and model validation**, reducing conflicts by 30%
- Enabled **cross-team data coordination** between architecture, MEP, and consultants.

3. Architecture Intern - K12 Atelier, Delhi| Aug 2022 – Feb 2023

- Supported a **4-storey commercial building project** through drawings, 3D models, and client presentations.
- Assisted with consultant coordination and design revisions.
- Competition entry ranked **Top 10 out of 100+ teams**.

EDUCATION

- Master in Advanced Architecture** -----September 2023 — June 2025
Institute for Advanced Architecture of Catalonia (IAAC), Barcelona
- Bachelor of Architecture (B.Arch)** -----August 2018 — May 2023
Visvesvaraya Technological University, India

SKILLS

DATA & ANALYTICS SKILLS

- **Data Analysis:** Python (Pandas), SQL, Excel
- **Data Visualization:** Tableau, Streamlit, Kepler.gl
- **Data Cleaning & Processing**
- **Exploratory Data Analysis (EDA)**
- **Dashboard Development**

BIM & COMPUTATIONAL SKILLS

- **Revit, Navisworks, ISO 19650** workflows
- **Grasshopper, Dynamo, Python automation**
- **Digital Twin Systems & Data Structuring**

URBAN & SPATIAL SKILLS

- **GIS: QGIS, ArcGIS**
- **Urban Data Analysis**
- **Mobility & Environmental Data Systems**

SOFT SKILLS

- **Multidisciplinary Coordination**
- **Technical Problem Solving**
- **Clear Communication**
- **Time Management**

AWARDS + PUBLICATIONS

- ★ **Best Project Award (IAAC, 2024)**
Project WOOD-ID (25% improvement in wood use efficiency)
- ★ **Communique – Urban Village Charitable Trust (UVCT), Nueva Delhi**
International Conference on Urban Villages: A Transformational Discourse in Architecture and Planning (May 22–23, 2022). | Published by UVCT, New Delhi.

LANGUAGES

- ★ **English (Native) | Hindi (Advanced) | Spanish (Intermediate, improving)**

CERTIFICATION

- ★ **Google Data Analytics Professional Certificate - Coursera (2026)**
 - Conducted **end-to-end data analysis** (cleaning, transformation, visualization)
 - Used **SQL and Python** to extract insights from structured datasets
 - **Built dashboards in Tableau** to communicate trends and patterns
 - **Delivered actionable recommendations** based on **user behavior / urban data**.
- ★ **ISO 19650 Information Management – Expert (Plannerly)**
 - Company-Level Certification Readiness & Workflow Implementation
